1865 May. I have had a conversation with the negroes at home after long down the want off. I agreed with them to stay on the place & do as they have been doing to work & attend to their business as usual & I saw the cloth them & feed them as usual, & at the plantation the same thing & the Council was present there they all agreed to attend to their business at home as usual. *W. H. Graves*

Some harts left in last April or May 1865 for parts unknown. Made a bargain with regard to the fat aspen Grove in Oregon. It was stated that in May or June my negroes cut up very much like Sally Plumb. Clubborn all went off 25 or 30 lbs. Lard for or as such I did not do any thing done with her but I cut Clubborn cut up & impudent Mr. Hunt & Cap. John Poppard etc.
